Williamston Nursing Home

A charming converted mansion offering exceptional care and a marvellous lifestyle

Williamston Nursing and Residential Home is situated in the beautiful Pembrokeshire countryside, just off Burton Road between Haverfordwest and Neyland in the picturesque Houghton Village.

A converted mansion set in extensive grounds. Williamston has retained all of its charm, with splendid lounges, halls and dining rooms.

The Home welcomes up to 34 older people in single or shared bedrooms many with en-suite bathrooms. Catering for: Respite, Day Care, Residential, Nursing and Long Term Care.

Our dedicated, skilled and friendly staff provide a high standard of nursing with a quality hospitality service.

We strive to preserve and maintain the dignity, individuality and privacy of our residents. We offer a homely atmosphere where family and friends are always welcome.

Residents are encouraged to enjoy an active and fulfilling lifestyle. The Home has strong links with the local community and benefits from a regular and full programme of visits and social outings.

Each bedroom is fully furnished and attractively decorated, residents may bring their own personal items to help create more familiar surroundings.

Each room has a TV and a private telephone can be installed if required.

Family and friends are welcome to visit at all times and stay for meals.

There are two lounges where the residents can relax, read or watch television. They both look out on to the delightful countryside and the gardens.

The dining room is light and airy, where residents can enjoy the food cooked by our professional cooks. Menus are regularly changed and any special food requests will be catered for.
